Logo Usage Guidelines

- Always maintain the logo's proportions when resizing
- Maintain adequate clear space around the logo (minimum: height of the "F")
- Do not alter the colors unless using the provided monochrome versions
- Do not add effects, shadows, or distortions to the logo
- For dark backgrounds, use the white monochrome version

Minimum Size

To ensure legibility, do not use the logo smaller than:

- Full logo: 100px wide or 1 inch in print
- Icon only: 32px wide or 0.35 inch in print
